"Power BI Developer skilled in data analysis, visualization, and Data modeling. Experienced in creating impactful dashboards for sales, customer, and population analysis, with proficiency in Power BI, Power Query, DAX, python and SQL. Passionate about transforming complex data into actionable insights to support business decisions."

Skills

- Power bi (Visualization tool)
- My SQL
- SQL
- Python
- Advance Excel
- Data Analyst
- Time Management
- Problem Solving

Projects

Pizza sales analyst Dashboard ⊙ *25-08-2024*

- Developed an interactive Power BI dashboard to analyze pizza sales by category, shift, day, and month, highlighting top-selling pizzas and sales trends.
- Tools/Technologies use Power BI, DAX, data visualization.
- Enabled data-driven decision-making by identifying top-selling pizzas, optimal sales times, and category preferences, leading to insights that can inform sales strategies and inventory management.

EU Super Market analyst Dashboard ⊙ *18-08-2024*

- Developed two Power BI dashboards to analyze customer and order data for a European supermarket. The dashboards display key metrics such as net sales, profit, customer segments, region-wise and country-wise performance, delivery modes, and product categories.
- Tools/Technologies use Power BI, DAX, data modeling, data visualization.
- Enhanced insights into customer demographics, sales trends, and product demand, supporting strategic decisions on customer targeting, inventory, and delivery options.

Amazon sales Report Dashboard ⊙ *13-11-2024*

- An interactive Excel dashboard designed to display Amazon's sales data, with insights into total sales, units sold, city-wise and state-wise sales distribution, and top-performing products.
- Tools/Technologies use Microsoft Excel (data visualization, interactive filters, dashboard design)
- Achieved visualization of ₹10.2M in sales across 23 cities. Detailed breakdown of units sold, state-wise sales distribution, and top-selling products. Enabled dynamic filtering by products, states, and cities for in-depth analysis.

Education

Netaji Subhas Open University *15-01-2024*

- Bachelor of Commerce (B.Com)
